**RICHIEDI MAGGIORI INFORMAZIONI**

The Romanian SME carries out its activity in the field of software web development online services. Its main focus is on designing, creating and configuring presentation websites and online stores / platforms. Thanks to a solid team with a well proven experience, it is able to offer state-of-the-art e-commerce solutions. The company is located in Romania and is interested in offering its services through a commercial agency agreement and/or outsourcing agreement to perform a service.

The company is established in Romania and its main focus is to develop customizable software web development apps. It offers a wide range of services, such as creating websites, optimizing and promoting online businesses, that any company requires for a professional online presence, including: website presentation and creation, online store, website audit, website optimization, logo creation, maintenance, hosting, but also digital marketing for search engine optimization, search engine marketing and social media marketing. Its offer also includes content creation for website & promotion such as search engine optimization articles and external blog posts, but also branding content such as product description and social media posts. The company mainly prefers the language of the end-product to be in English, Italian, Romanian or Spanish. On request, the company can create the website in English and then translate the website in any other required language. It also offers re-branding for old websites that do not work properly. This will give a modern interface that will create a strong image for customers and competition. The working team includes professional and talented people with years of experience in web development, always being up to date with the new technological trends. The company will help to choose the appropriate services to achieve excellent results. The company is looking for partners in order to expand on the European and international market by offering innovative and high quality services through a commercial agency agreement and/or an outsourcing agreement to perform a service.
