RICHIEDI MAGGIORI INFORMAZIONI

The Ukrainian private company is a real estate company whose core business is in industrial units, offices and land for building. The company is looking for investors willing to establish a local production facility or establish a partnership in production investments, real estate companies, outlets, large retail sector, etc. The industrial space has three main areas: production, storage, and offices/social area. Financial agreements or joint venture agreements are sought.

The company is located in the Lviv region, the city of Yavoriv, 50 km from the city of Lviv, 15 km from the border with Poland, 1.0 km from the international road Lviv - Krakovets. The company wishes to cooperate under financial or joint venture agreements. The manufacturer wants to find investors from abroad who want to establish local production: factories, retail outlets, large retail sectors, etc. The manufacturer offers a special place, ready to work, which already has electricity, water, compressed air system and other characteristics. The building is prepared to accommodate an industrial facility. All this makes this device unique in its ability to leverage multiple factors to maximize return on investment.
